

"THE STUDENT VOICE OF ESSEX COUNTY COLLEGE"

LLEGE Wednesday, December 3

Revolution

In a fast moving and highly to thirty years, played a more decades which has resulted in the facts as they really are,

be contest with hist all who might meet ac-For those transmit this may be reading this paper, and who may se saying to themselves: "What the ball are they talking about?

My answer is: "reality".
The ECCO which now operates by Editorial Board Policy has pledged tack towards reality along with he hard "facts" which exist within that environment. Resulty as we for the commenty college pagests of it, will encompass the We indeed to do this even if reality of a pation, a race, a school, ad its burdens. The ECCO has tremared itself for its new libera

Let it be understood, that Into say that this paper will reach that goal,

tilego has, over the last tweety nerve the local as well as the mingral part in supplying the skills: be effective, it must play an active standed to keep things moving even part in stale wide and rational surface sheat. There has also been affairs, as well as local, it own revolution within the world of legalty to no one, and will presen support programs and ideas which those which in it's opinion are barmful and detrimental to the

become more modern, they have must be and will be realized that to abandon the principles upon which this for not just a Student News-ALL newspapers have been founded paper, but a Newspaper that just A newspaper can either beparti- in summation, this Newspaper to respond to the section of the se paper is independent and will con- of those at Essan County College. begin to being reality to you in obscens wordage or structure; but with a force and manner that will

> and administration to B anapared to new goals and a new destiny . We have become aware of the need, to set a new standard must burn the outer rimes of held We inlead to do this even if hell

As you, the students read bis the part, this paper has always paper, we hope you realize what we dead with reality, but with a sea sentent has an experience of the second with reality, but with a sea sentent has not been sentent as the sentent has not been sentent had not been sentent has not been sentent had not been sentent had not been sentent had not been sentent had not been sent f with reality, bet, with a are saying to you. We hope you will tacifel exciptance. This is understand our goal and belp as
